MEMO

TO: Insurers, Third-Party Administrators and Interested Persons
FROM: Charles J. Verre, Chief Administrative Officer
DATE: January 6, 2016
SUBJECT: Mileage Reimbursement Change

Effective January 1, 2016, the standard mileage reimbursement rate for transportation costs incurred while using a private vehicle while traveling on official State business has decreased from 57.5 cents per mile to **54** cents per mile.

Per NAC 616C.150, reimbursement for the cost of transportation for an injured employee, under appropriate conditions, must be computed at a rate equal to the mileage allowance for State employees.

Please advise all adjusters as soon as possible to minimize any payment errors.
